About Me

A motivated IT student with hands-on experience in web development, mobile app development, and database management. Seeking an opportunity to apply my technical skills and contribute to innovative projects while gaining real-world experience.

Skills

- Web Development
- Mobile App Development
- Basic Game Development
- Database Management
- Graphic and UI/UX Design
- Problem Solving

Projects

UM Org Connect – Event Management System (Web Application)

- Designed pages for event creation, budget tracking, and QR-based attendance.
- Created login and registration forms with role-based fields.
- Helped integrate document submissions and e-signature workflow.

Attendify - Classroom Attendance System (Mobile Application)

- Developed QR code scanning for student attendance.
- Built database structure using MySQL.
- Collaborated with teammates for UI/UX and backend logic.

Education

University of Mindanao
Bachelor of Science in Information Technology
2022 - 2025
